Grants and Fellowships

- 2020 **PLAYTrack Seed Funding**
55,604 dkk for; Non-industrialized children's use of tools in play and subsistence activities (PI with Felix Riede, Aarhus, and Noa Lavi, UCL)
- 2019 **Leakey Foundation Research Grant**
10,500\$ for; Hand-thrown spears: Ballistics, accuracy and learning to hunt among BaYaka Congo Basin foragers (PI with Annemieke Milks, UCL)
- 2019 **Wenner-Gren Foundation Research Grant**
10,500\$ for; Hand-thrown spears: Ballistics, accuracy and learning to hunt among BaYaka Congo Basin foragers (PI with Annemieke Milks, UCL)
- 2019-2021 **SSHRC Postdoctoral Fellowship**
Funded postdoctoral position for; Investigating how BaYaka forager children learn to make and use tools
- 2016-2018 **Cambridge School of Biological Sciences Fieldwork Fund**
7635£ for PhD dissertation fieldwork
- 2016 **RAI Ruggles-Gates Fund for Biological Anthropology**
1000£ for PhD dissertation fieldwork

2016	Worts Travelling Grant 1000£ for PhD dissertation fieldwork
2016	Smuts Memorial Fund 1000£ for PhD dissertation fieldwork
2016-2019	SSHRC Doctoral Scholarship Stipend used towards cost of PhD dissertation fieldwork
2015-2018	Cambridge International Trust Scholarship Tuition and stipend for duration of the PhD
2014-2015	Gates Cambridge Trust Scholarship Tuition and stipend for duration of the MPhil

Awards

2020	Travel Award (Society for Cross-Cultural Research) 300\$ for travel to the annual meeting
2019	Aldis Commendation (International Society for Human Ethology) For project proposal; Learning to hunt with spears: Testing the embodied capital theory among BaYaka Congo Basin foragers (with Annemieke Milks, UCL)
2019	Travel Award (Society for Research in Child Development) 300\$ for travel to the biannual meeting
2018	Travel Award (Society for Anthropological Sciences) 300\$ for paper presented at the American Anthropological Association annual meeting
2018	Best Student Poster (Society for Cross-Cultural Research) 100\$ for poster presented at the annual meeting
2017	Best Student Paper (Evolutionary Anthropology Society) 250\$ for paper presented at the American Anthropological Association annual meeting
2015	Graduate Tutors' Prize (Fitzwilliam College, Cambridge) 150£ for distinction in the Mphil

Invited Talks

- 2020 Child development in the Congo Basin. Healthy Starts Seminar, B.C. Children's Hospital Research Institute: Vancouver, B.C.
- Learning through play in hunter-gatherer societies. Department of Psychology, Simon Fraser University: Vancouver, B.C.
- The role of peer learning in cumulative cultural evolution: Recent findings from Hadza and BaYaka forager children and adolescents from Tanzania and Congo. Seminar Program for Early Career Scholars, Pennsylvania State University: State College, PA.
- Learning through play in hunter-gatherer societies. PlayTrack Seminar Series, Aarhus University: Aarhus, Denmark.
- 2018 Learning to hunt and gather, learning to be a hunter-gatherer: Recent findings and evolutionary implications. Archaeology of Human Evolution, Division of Archaeology, University College London: London, U.K.
- 2015 Social learning in hunter-gatherers: What might this say about human evolution? PalMeso Seminar Series, Division of Archaeology, University of Cambridge: Cambridge, U.K.
- 2014 One in every family: A look at Cree educational paradigms. Cree School Board Working Group: Montreal, QC.

Conference Activity/Participation

Panels Organized

- 2020 Developing frameworks for understanding cross-cultural variation in child development. Panel organized and chaired at the 49th Society for Cross-Cultural Research Annual Meeting: Seattle, WA.

Invited Workshops/Symposia

Upcoming	Methods for the study of culture and mind (Max Planck Institute)
2020	Economic network dynamics of wealth inequality (Santa Fe Institute)
2019	Research ethics in evolutionary biological science (Max Planck Institute)
2019	Current directions in hunter-gatherer research (University College London)
2019-2020	Social learning and cultural evolution series (SRCD-Jacobs Foundation)
2019	Children and innovation (Griffith University)
2018	Children's acquisition of kinship knowledge (University of Bristol)
2018	The evolution, variation, and ontogeny of learning (University of Texas, Austin)
2017	The ontogeny of altruistic social preferences (Arizona State University)

Fieldwork

2019—2 months	Likouala Province, Republic of Congo
	• Data collection, hand-thrown spears: Ballistics, accuracy and learning to hunt among BaYaka Congo Basin foragers (PI with Annemieke Milks, UCL)

- 2018—3.5 months **Likouala Province, Republic of Congo**
- PhD data collection
 - Data collection, the effect of social networks on inequality: A longitudinal cross-cultural investigation (PI: Jeremy Koster, University of Cincinnati and Eleanor Power, London School of Economics)
 - Data collection and logistic support, evolution, variation and ontogeny of learning (PI: Cristine Legare, University of Texas, Austin)
- 2017—4 months **Likouala Province, Republic of Congo**
- PhD data collection
 - Establishing field site
 - Research assistant, evaluating the impact of cultural models and biomarkers of fatherhood on child wellbeing among Central African foragers and farmers, year 3 (PI: Adam Boyette, Duke University and Lee Gettler, University of Notre Dame)
 - Data collection, sleep and dreams among BaYaka foragers (PI: David Samson, University of Toronto Mississauga)
- 2017—2 months **Lake Eyasi, Tanzania**
- PhD data collection
 - Data collection, the ontogeny of altruistic social preferences (PI: Bailey House, Arizona State University)
- 2016—5 months **Likouala Province, Republic of Congo**
- PhD data collection
 - Establishing field site
 - Research assistant, evaluating the impact of cultural models and biomarkers of fatherhood on child wellbeing among Central African foragers and farmers, year 2 (PI: Adam Boyette, Duke University and Lee Gettler, University of Notre Dame)
